Student Life

etc., (et set'ere) a combination of incongruous elements. This is what we portrayed at Coconino High School. We had a variety of people, extra curricular activities and academic programs. The student body at CHS was a potpourri of Chicanos, Blacks, cowboys, Indians, jocks, scholars, musicians, thespians, Jesus

freaks and nature lovers.

We had a lot of extra curricular activities which ranged from sports to madrigals. In addition to regular classes, the academic program included drivers education, debate and speech teams. We've got it all and we're proud of it.

CROSSROADS FOR CHS STUDENTS

1.

Crossroads at Coconino led to a variety of settings. Some roads led to the classroom, where students had time for a fair amount of goofing off. Students also found time to travel the road to Oak Creek. Fall is a mild season and many of our

students took advantage of the weather and strolled down the streets of a colonial town. Students also found themselves being called for a walk into the spotlight where they received special recognition, as did our homecoming royalty.

1. Mark Bergstresser and Rosemary Ryan having fun in class.
2. Tami Ragan, Leslie Ragan and Mary Head in Oak Creek.

5. Homecoming King and Queen: Steve Hatch and Donna Ross, Senior Attendants: Matt Smith, Sandy Hunt, Mark Lescoe and Debbie Henson at the Homecoming game, against Winslow.

“A TIME AND A PLACE”

To make the sophomores feel welcome, the seniors held an orientation instead of the traditional initiation this year. The sophomores were divided into teams, each with two senior captains. The teams competed against each other in ten-legged races, a balloon toss, water bucket drink, and cracker whistling contests. The overall winners chose senior slaves at the end of the week. Everybody had a great time.

1. Gary Kelley catches a water balloon as Matt Smith urges him on.
2. Gary Eaton downs a cracker in the cracker whistling contest.
3. The balloon tossing lineup.
4. Sheldon Parks grimaces as he catches a water balloon, hoping it won't burst on him.
5. Mindy Schabatka attempts to stuff crackers into her mouth with a bag over her head.

ETC.

School years are a collection of faces and experiences. Who will ever forget the dances in the cafeteria, yelling for the team until you're hoarse and filling the halls with "essence of puke" during chemistry. If these don't ring a bell, try remembering posing before your locker for the photographer or doing the bump in the gym during Spirit Week.

BLAST FROM THE PAST

This year's homecoming theme was, "A Blast From the Past."

Spirit Week was filled with various activities and a lot of fun. We had a hula-hoop contest, marshmallow-eating contest, a tug-of-war (won by the seniors), a contest in which the classes decorated their halls, and we even decorated the stadium. We had a super pep rally the night before the game which started with a spirit march from the Jr. High and ended at a huge bonfire near the faculty parking lot.

The game was against our arch rivals, the Winslow Bulldogs, and ended in an exciting 22-22 tie. Everyone enjoyed the dance afterward and boogied to the sounds of "Impulse," a band from Phoenix.

COCONINO STUDENTS LEARN ABOUT CAREER OFFERINGS

Home Economics, Physics, College Day, Art, Chemistry..... what do they all have in common?a great deal. They all play a big part in career planning. There was a great emphasis on careers this past year with many different projects to help students make their decision.

In October, representatives from different colleges and universities throughout Arizona came to talk to the seniors about what their colleges had to offer. . . .

1. Tammy Garver catching up in Chemistry.
2. Danny Cabrera and Shelly Eder demonstrate their talent in the drama field.
3. CHS seniors take advantage of College Day opportunities.

. Students were also able to take advantage of a resource center which gave information on careers ranging from aeronautics to wildlife management. The center is located in the school library and under the direction of Mr. Neil Eiber.

Careers were emphasized once again by the various classes. Every class from American Problems to Home Economics had a career week, where students learned about the job opportunities for each particular subject.

“HOLDING ON TO YESTERDAYS”

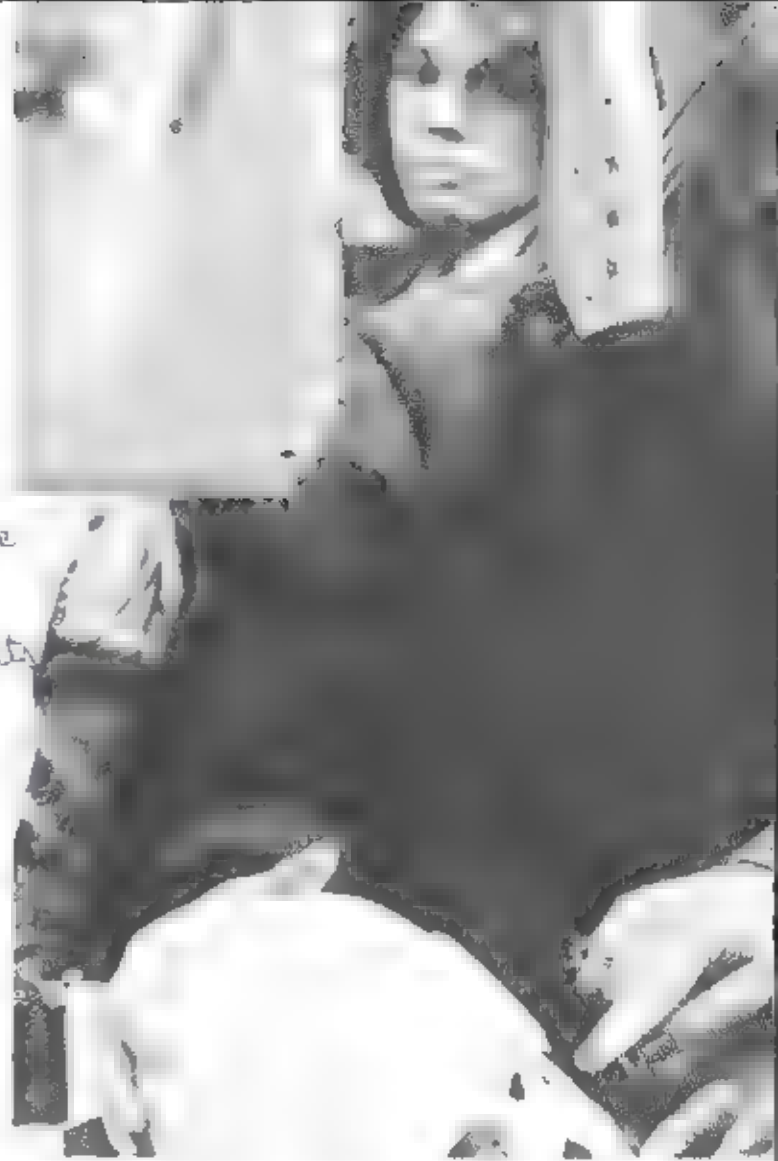

Holding On To Yesterdays was not only portrayed at the Prom, but throughout the year. Fifties' Day, an Alumni Luncheon, sock hops and various other activities brought back memories of days past. The Prom was a final culminating affair.

The Prom was held in the formal atmosphere of Little America with music by 'Orpheas.' The evening was highlighted with the crowning of King and Queen. After Hours were spent at the Elks Lodge where students welcomed in a new dawn.

STUDENTS WALK INTO PAST

The bicentennial program proved to be not only enjoyable, but also educational. On September 4 and 5 the "People of 76", a group of actors from the United States International University in San Diego, recreated the effects of the Revolutionary War on the town of New Bristol. Included in New Bristol, were a gunsmith shop, "Ye Olde Tavern", a pewter shop, a shoemaker's shop and homes of both loyalists and patriots. Settings of butter churning, embroidery, the making of coins from spoons, spinning, weaving and shoemaking were portrayed. Camped on the outskirts of New Bristol was a battalion of Patriot soldiers, who were aided in a battle against the Red Coats by the New Bristol militia.

Youngsters from all the elementary schools visited the town, and many citizens also attended the programs. It was a lot of fun as well as a learning experience for everyone.

1. "This wool will keep the winter's chill out of some Patriot's heart."
2. "Black powder and grape shot will eventually determine our destiny."
3. "Quick, a glass of ale to abet my infirmity."
4. "The loyalist's have gone as far as searching and reading our mail."
5. "Mr. Guay, the reactionairies tack before an ill wind."

SPECTATORS

Spectators throughout the year have played an important role in Coconino's sports and other events.

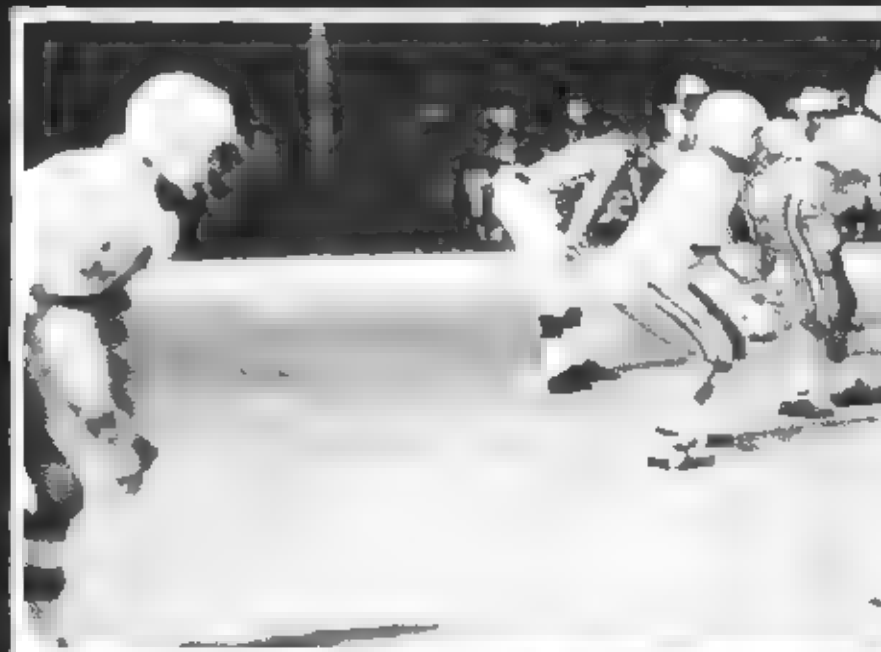

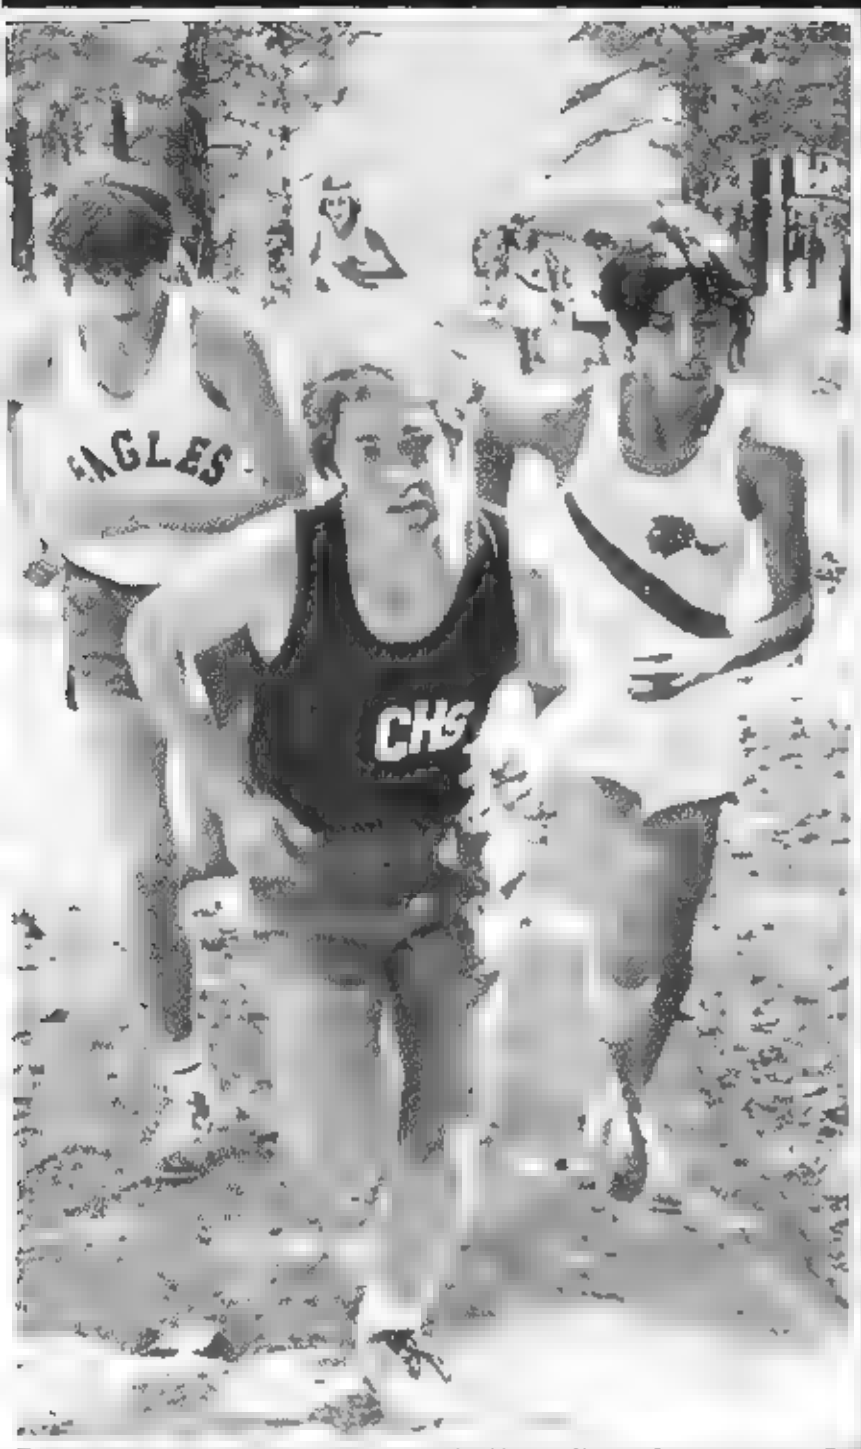

The year was full of success and disappointment, but the Panther spirit still lives throughout Flagstaff.

The greatest use of life

that will outlast it.

action

C. H. S. sports has been a big part of student life this year. The participation was great, only to be topped by the overwhelming amount of school spirit.

Coconino's sports programs has focused on girls in sports this year. As usual, our female athletes have given us a tremendous

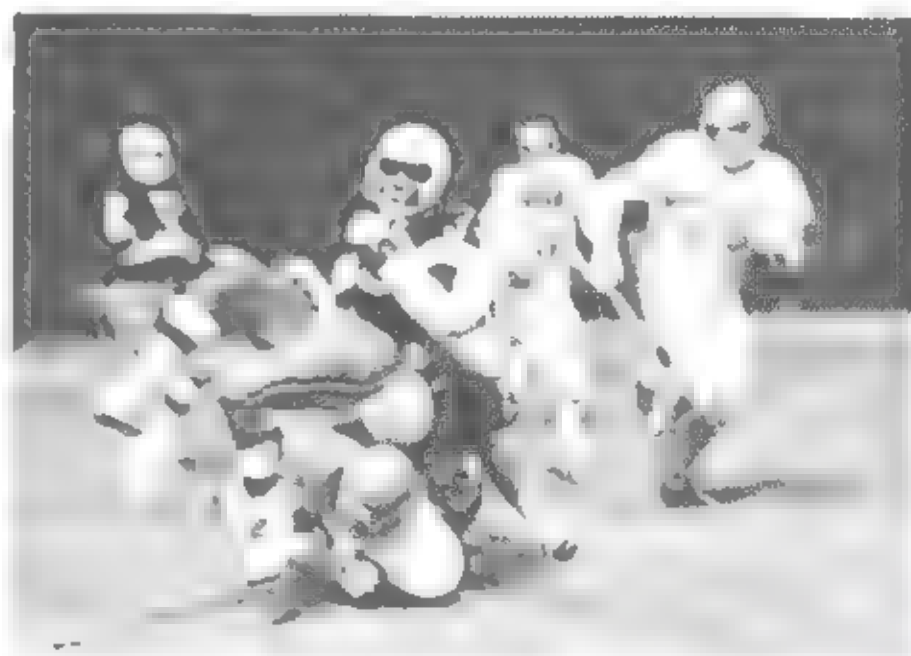

show of enthusiasm, as well as winning records.

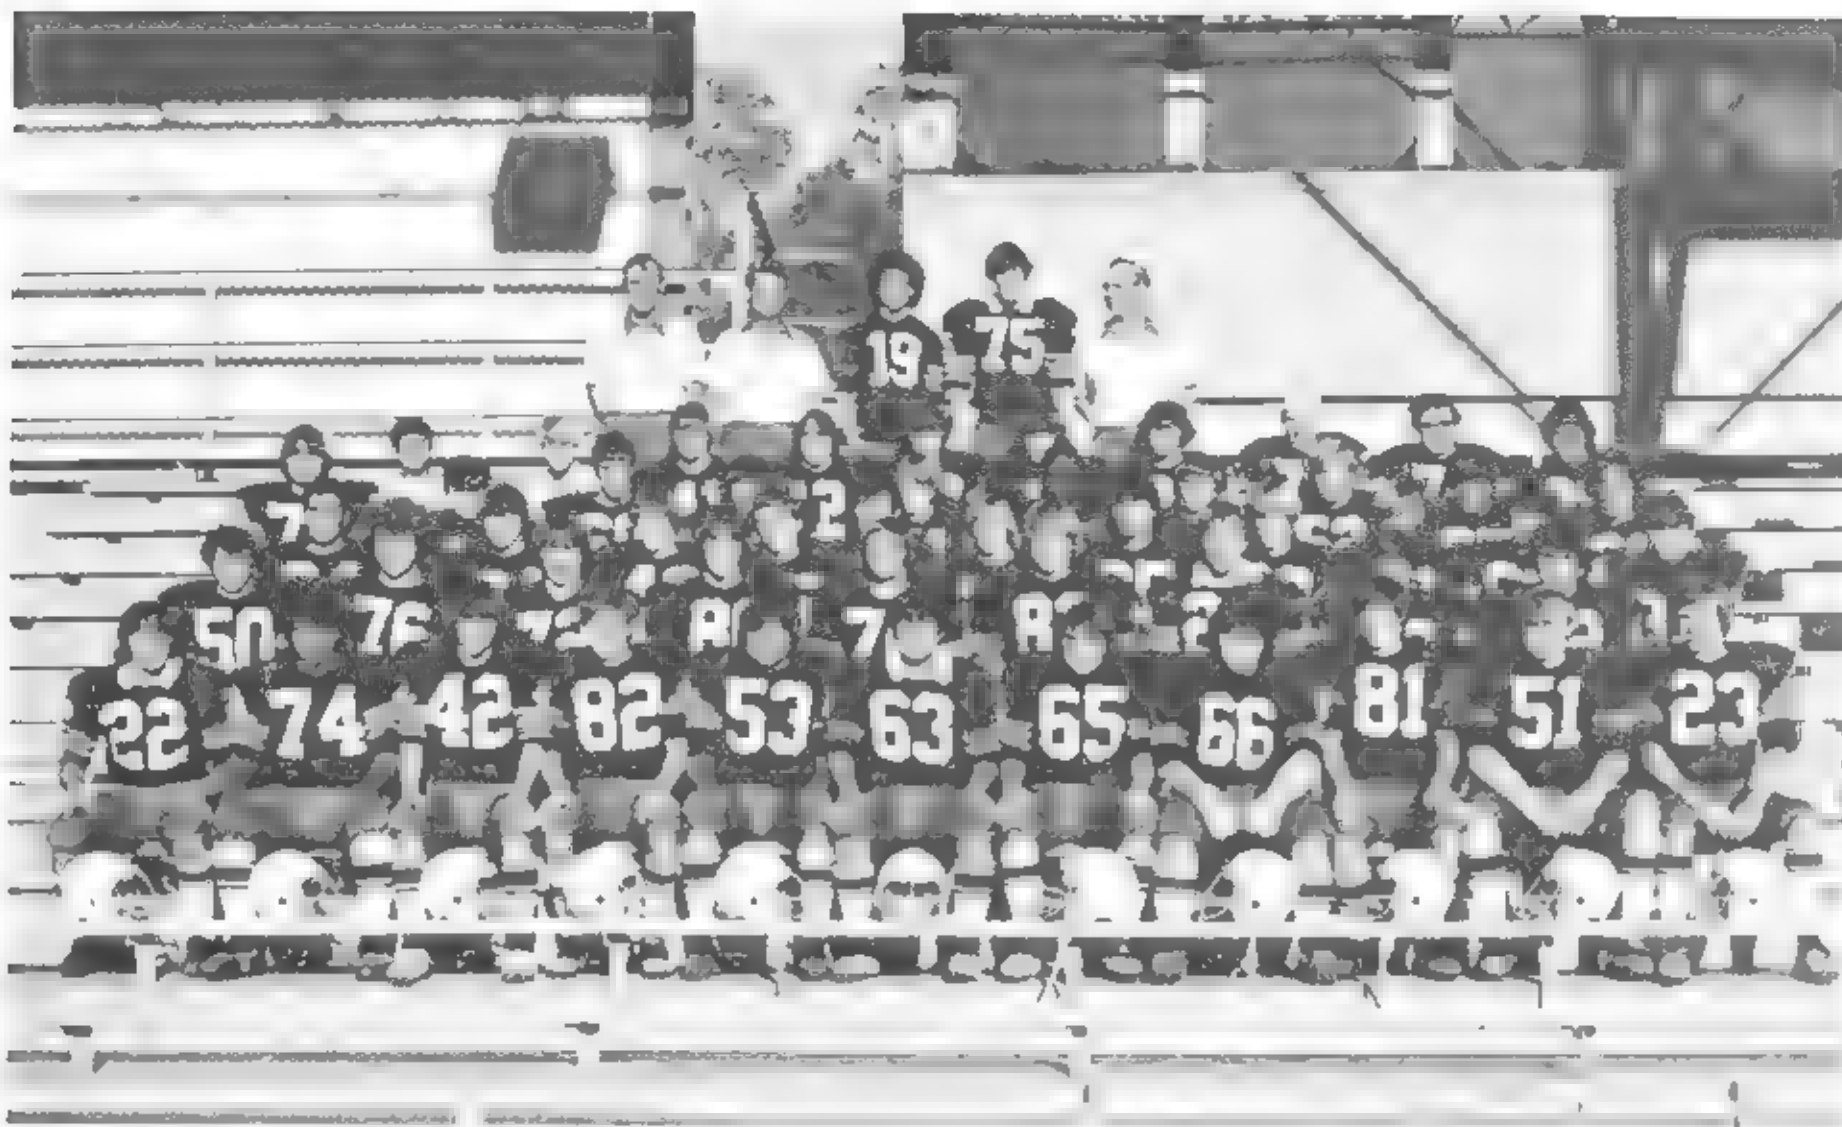

Faculty and student involvement was outstanding. Everyone got into the act to help further the development of our fine athletic department. Involvement is, in fact, the main factor that makes Coconino the great school it is.

VARSITY FOOTBALL

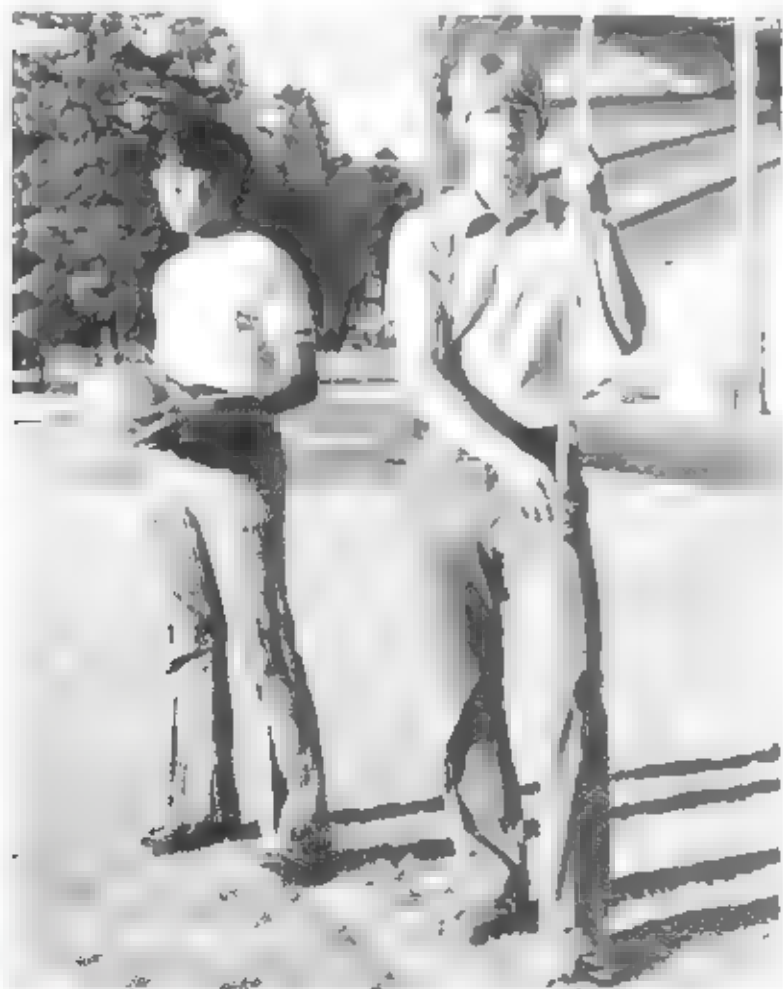

This year's Varsity Panther Football team started their season off to a good start by defeating the Globe Tigers with a score of 43-6, and continued winning until finally clashing with the Winslow Bulldogs on Homecoming night and ending in a 22-22 tie. We met our first defeat at the hands of the undefeated Snowflake Lobos on their home field by a score of 21-0. On November 14, we ended our season by losing to Flag High with a score of 22-6. Our overall season ended in 7 wins, 2 losses, and one tie.

The team as a whole did pretty well this year. As individuals, Marty McKee had a great season, breaking a total of 10 records. His performance earned him the position of 2nd best in Coconino history. On the receiving end, Kenton Oakes set 2 season records and earned the ranking of 2nd best receiver in the school's history. Some of the outstanding offense men were Willard Reeves, Mark Lescoe, Armando Alonzo, and Scott Ross. On the defense side, Rob Wachter came just one short of breaking the record he set last year of 135 tackles in a season. Despite this he set a new record for the most tackles in one game.

J.V. FOOTBALL

Our J. V. Team was coached by Weldon Mickelson and Mike Olson. There were many outstanding players throughout the season, but the overall outstanding players were: Linemen -Kevin Call, Ernie Birner Runningbacks-Clarence Gilham, Jim McKerracher Center-Brad Kerby. The team turned in an overall season record of 4-4. The teams they beat were Grand Canyon, Bourgade, Holbrook, and Kingman. This years Junior Varsity Football team was very motivated and it looks like a promising future for Varsity football.

Cross Country runners performed well this season, ending with a record of five and two. The team was built of young runners with only a few experienced harriers returning this season.

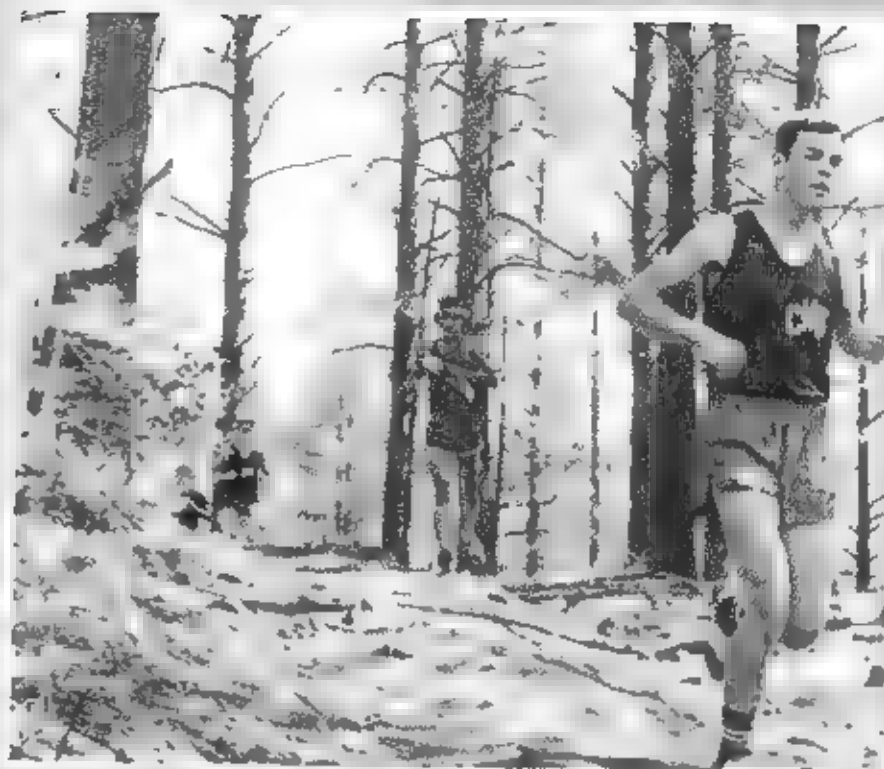

Outstanding runners received special recognition for their dedicated efforts and many hours of training. Mike Wommack was voted "most valuable runner," while Carl Peterson showed the "most improved." Chris Ulabarri was awarded "best sophomore." The team ran a total distance of 10,092 miles this season.

Our girls were led to victory by a tremendous display by junior, Jennifer Martin. Coach Boehle is in hopes that next year, more girls will participate in this rewarding sport.

DEDICATION!

The C.H.S. cross-country team should be congratulated for their efforts and determination this past year. We had an exceptional over all showing throughout the season, considering we had a fairly young team. The young ladies on the team did great, and their team was also very young.

Most people don't understand the desire or dedication that a long distance runner feels when he or she is setting the pace for themselves in training and practice. The cross country harrier feels that this sport is a self improving sport, and usually, the desire to run is self motivated. Great job runners, and keep on truckin'.

SKI TEAM

Ski Program

The ski program, even though it was no longer a competitive interscholastic sport, opened up to include any student of intermediate or better ability. It was made available for those who like to improve his or her skiing technique. The program emphasized down hill skiing, racing and running gates, care of skis, and cross country skiing.

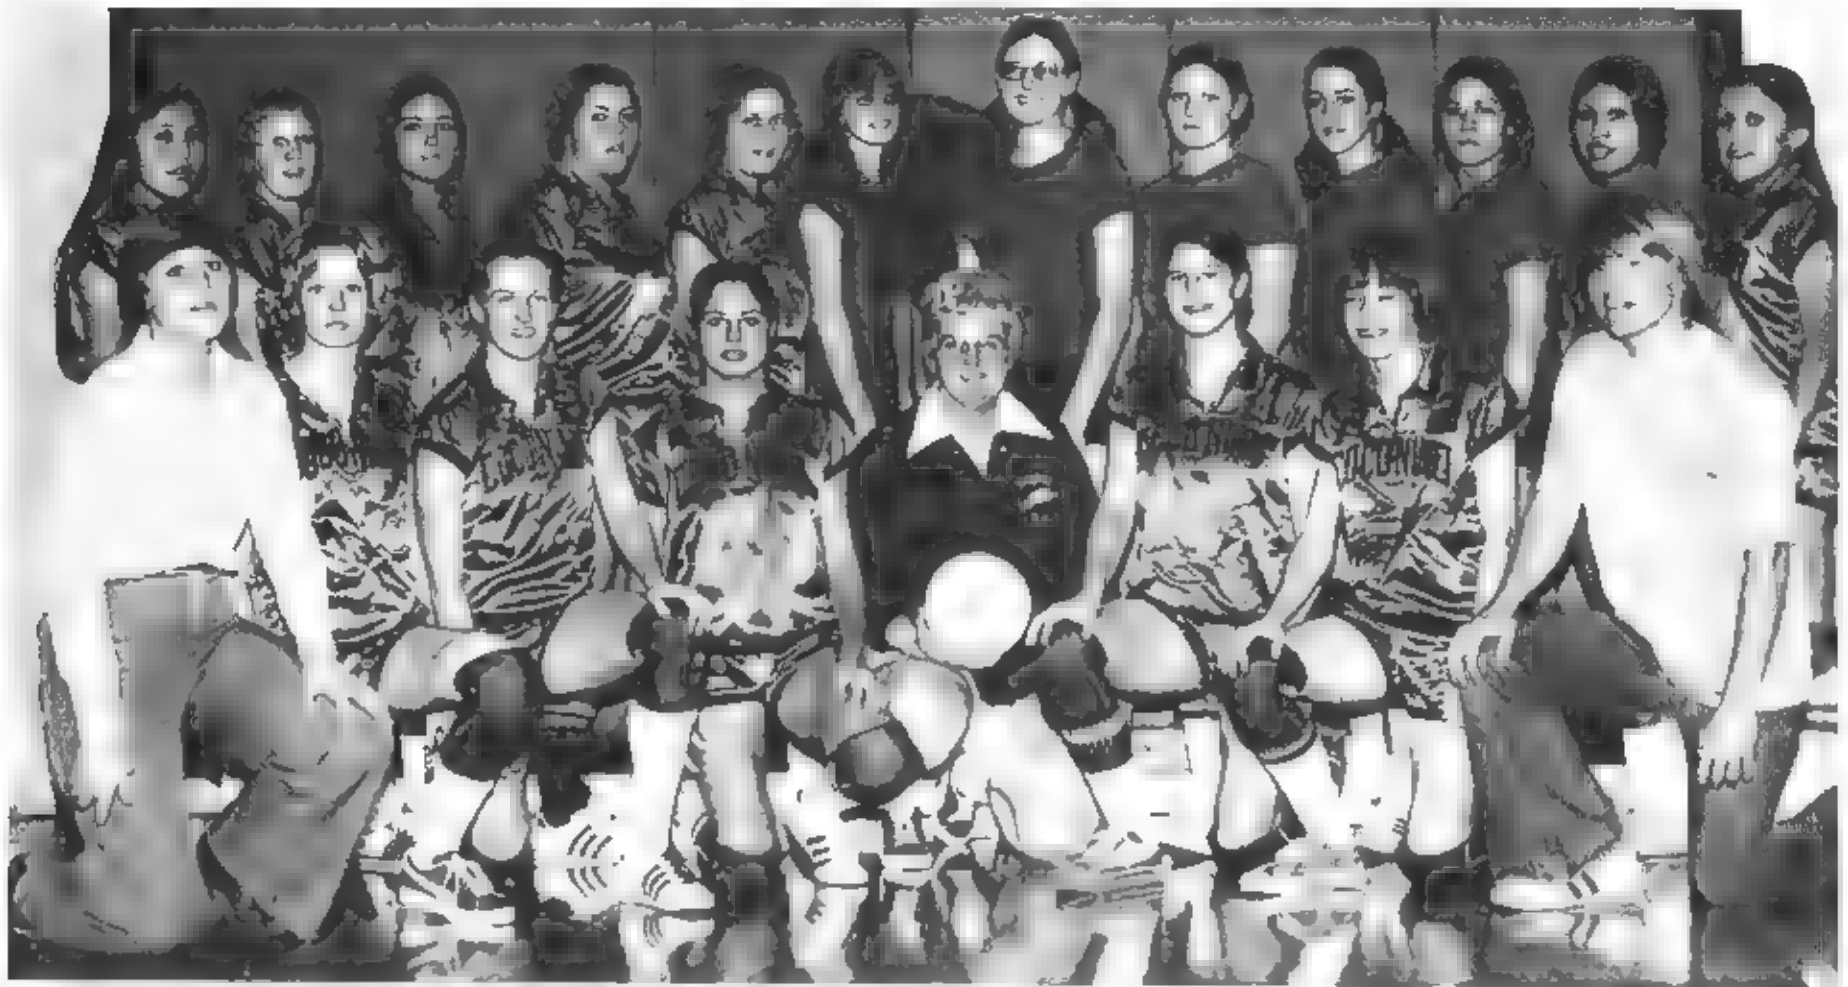

Conditioning exercises and soccer were used two days a week to get in shape for skiing at the Snow Bowl on Friday afternoons.

The team was coached by Larry Peterson, a new teacher at Coconino this year. Both men and women participated in this sport, and seemed to enjoy it throughout the season.

Team members Mary Lansing, Barbara Spigner and Cindy Harenberg added to Panther glory by gaining berths on the First string All Conference Team during the seeding tournament. Jaime Gale was selected for the All Tournament team. From Divisionals, the Cats went to Tucson for the State Play offs and took third place. Mary Lansing and Jaime Gale were chosen for the All State second String.

GYMNASTICS

The Coconino gymnastics team this year was coached by Mrs. Judy Romero. There were fourteen girls on the team. Six of those are seniors, five juniors, and three sophomores. There are four events in gymnastics. There are the uneven parallel bars, the balance beam, floor exercise, and vaulting.

REESE, SHALLMAN, LESCOE, RECEIVE ALL CONFERENCE HONORS

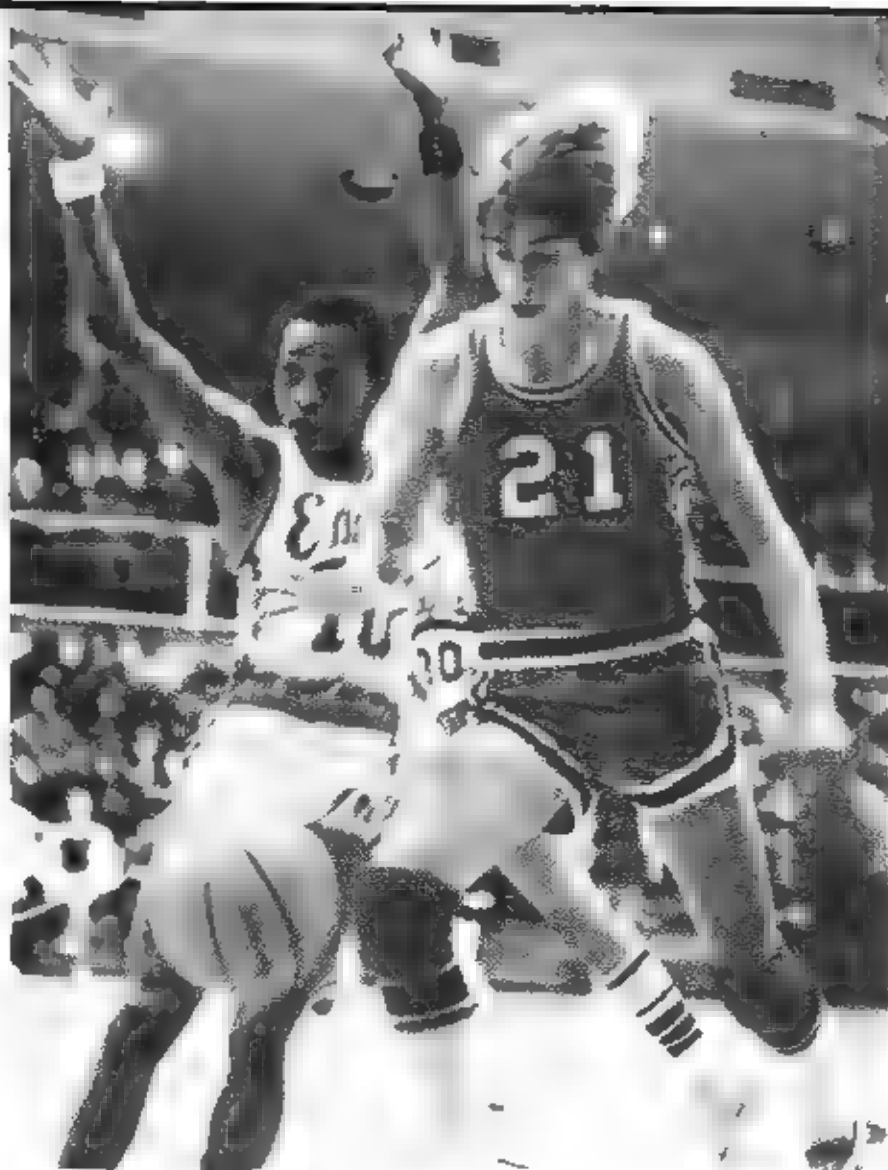

The CHS varsity roundball team finished out the season with 16 wins and 8 losses. All in all, they had a great season. Our cagers were victorious in more games this year than the two previous seasons combined. Another outstanding factor, was that in the final home game of the season our mighty CHS hoopsters devastated the Flag High Eagles 57-56 in a hard fought battle.

The Panther team boasts two All-Conference players with Lew Reese heading the first team roster and Jim Shallman making the second All-Conference team. Mark Lescoe was another outstanding Panther, with an honorable mention in the All-Conference bracket.

In tournament action, our Panthers succeeded in taking third place trophy at the Holbrook Invitational during the Christmas break. The Panthers will look forward to another good season next year with Willard Reeves, Jim Shallman, Doug Hatch, and Troy Lane all returning as Seniors. We also have several promising Jr. Varsity cagers coming up to play Varsity Basketball for 76-77.

J.V. CHEERLEADERS

This year's cheerleading squads have shown a great deal of enthusiasm and done an awful lot to instill school spirit in the student body. Not only did they support our athletics program, but these hard-working individuals put in many extra hours planning assemblies and special activities. They represented our school in a way we can all be proud of, cheering at all the games of just about every sport. Thanks cheerleaders, for leading our team with spirit and enthusiasm.

Clubs and Organizations

At Coconino this year, there has been more student involvement than any years in the past. We have provided Clubs and Organizations for all interests. For physically inclined, we have offered intramurals, lettermen and Varsity Club. For the more

scholastically bent, we have offered Key Club, NHS, and Drama. Our participation and determination by these clubs, allowed us to have more activities. Students have not only benefited from the learning in social aspects but also prove valuable in future years.

DRAMA CLUB

There are 40 members this year in the Coconino High Drama Club. This year's plays were "I Never Saw Another Butterfly", "Ginger Bread House in the Black Forest", and "My Fair Lady". All of these were very outstanding and took a lot of hard work. In April, the Drama Club put on a workshop for Flagstaff High and other surrounding schools. They learned pantomimes, acting, make-up and stage design. This session was taught to them by NAU students and other teachers around Arizona.

Varsity Club was very active this year. They sponsored a trip to Phoenix to watch the Phoenix Suns play the Golden State Warriors. With their funds, they bought equip to help improve our athletic department. The equipment included pitching machine, a whirlpool for injuries, a high jump standard for track, and a projector for football films. For fund raising they sold popcorn at all the games and sponsored the Harlem Clowns Basketball game. Varsity Club is one of our most active clubs at Coconino, and they did a good job involving everyone.

OFFICERS

"In being a very unique class for the class '76', I tried to utilize many different unique ideas through out the year. We started it off by not having a Sophomore initiation. Instead, we had an orientation for our underclassmen. This was a week of competitive activities for the Sophomores, and everyone seemed to enjoy this new idea.

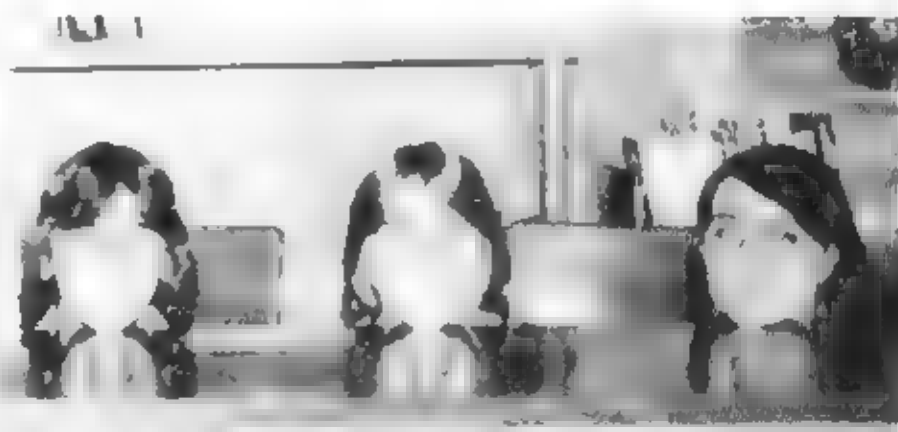

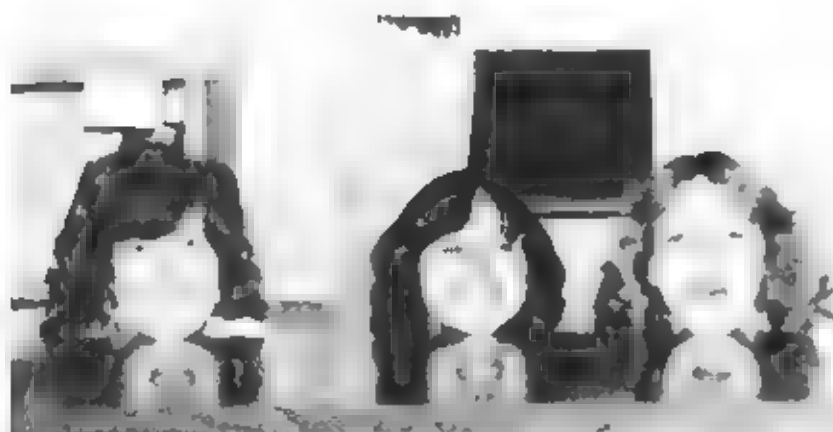

Our goal this year was to raise money for the Senior trip to Disneyland. Achieving this task was pretty difficult, but we did it by having several bake sales, consessions, and by selling ice cream at lunch time.

The big event for our class, besides graduation was the first annual graduation dance. This dance was sponsored by the parents and was held at Little America. We all had a super time. The Senior class of 1976 is going to have a class reunion in 5 years, Try to keep in touch with everyone, and remember 1981 is the year for our 1st class reunion!"

SENIORS GOT IT ALL

Crossroads in Seniors Everyday Lives...

JUNIOR CLASS OFFICERS

Being president this year was the toughest job I'd ever faced. It had many responsibilities which at times I thought I couldn't handle, but thanks to the Junior Senators (Peg Liggit, Tammy Garver, Valerie Sanchez, Bev Williams, and Michelle Liebe), everything worked out just fine. The Junior Senators as leaders through hard work and spirit displayed what the Junior Class is all about. The involvement of the juniors in the activities we had planned was really great, that's the reason that we were able to get so many things done. We had our goals, and we accomplished them with success. We're a great class, and we will be even better next year as seniors!

SOPHOMORE CLASS OFFICERS

This year went real well for the sophomores. They had the best spirit I have ever seen. I think the sophomores showed the other classes what class competition really is. They won hall competition. And we will be looking forward to next year to sponsor the prom and to help the community and to make Coconino a better school in the future.

OLDIES BUT GOODIES

This year's theme for our Student Council was **INVOLVEMENT**. Many faculty members found themselves participating in various student activities. We've had great enthusiasm and cooperation throughout the year from our teachers. We are proud of the involvement and participation that

our teachers put into activities that were launched this year. We also thank all of our teachers for putting up with all the **EXCUSED** absences we have put them through and we appreciate the extra time and effort you put forth to see to it that we had the chance to make up all our work.

Mr. Petersen, Principal

Mr. Wolfe, Vice Principal

ADMINISTRATION

Once again the students and faculty at Coconino High School have had a very productive school year. It is obvious that many students have worked very hard in the classroom and we have had a large involvement in extra-curricular activities. We can all be proud of our school. Let's keep up the good work and continue to strive for improvement in all areas.

C. J. Petersen

Seniors: We started our careers at CHS together three years ago, and it has been a busy, exciting, and profitable three years. We have all grown from our experiences. It has been rewarding to know all of you (in my various capacities). It will be exciting to see what directions you take now as you prepare to leave CHS armed with that all-important diploma. Good Luck!!

Juniors: You are more than halfway to attaining your graduation from high school. Next fall, as you assume the major burden of leadership among students of CHS, you will discover that you will be required to depend less and less upon others for support. You will be required to take more and more responsibility for everything you do. When you are able to accept this responsibility, you will have become a mature person. Best wishes to you all.

Sophomores: It was predicted that you would be a most difficult class when you came to CHS last fall. You have proven the prediction false! The upperclassmen, faculty, and administration have been pleased with your spirited performance and organization as a class. Keep up the good work. Set your goals, and keep them in mind. If your growth continues at its demonstrated rate, you will be a most remarkable class.

 You must have been one of your

 even though I never met you.)
 You must be a great person.
 I hope you are happy.
 Love,
 Diana.

Nane,

Well, the end sure came up in a hurry didn't it? You don't know how very happy I am that you and I get together! You have showed me what a true friend means, and what they

are for: sharing secrets with, going places with, laughing with, causing trouble with, and crying with. Happy and sad. We

1. Athletics Director:

Jim Fox, "We at Coconino High School are very proud of the winning tradition that has developed at our school in such a relatively short time.

Our student body is known throughout the state for the excellent support they give to the program. Our administration is behind our teams win or tie. In our eight years at Coconino we can truly say its been great to be a Panther."

people who are as lucky as I am to have a (sis) like you. I've been there for me to come to if I'm down I don't

know how, but you always make me laugh at some dumb thing you say! I also know I can come to you equally easily with all the good news and will always be there to share it with. Or if I need to get something off someone off my mind, I

This is ~~the~~ going to sound funny on paper, but...

I only know, it must be crazy, fun, and something close. Speaking of close, do you realize how close we have become in such a short time?
